

Dear Parents,

Thank you for considering The First Presbyterian Church Early Preschool for your child. Registration for the general public will be held on February 12, 2008.

Applications and applications fees may be mailed to the Early Preschool at any time before February 12, 2008. Applications must be received by 2:00 pm.

Your application will be assigned a random number on February 12, 2008 and then numbers will be drawn in a lottery fashion. The number of spaces available in the Early Preschool is determined by how many are left following our priority registration on February 5, 2008.

You will be notified of your status by February 28, 2008. If you do not receive a spot and wish to take a waitlist spot, contact the Early Preschool ASAP. Waitlist spaces are reserved in order.

Please note, applications should be mailed and an appointment is required for all tours of the facility.

Thank you for your interest,

Becky McCluskey
